MIND BEYOND DEATH

Reading & Booksigning with:
THE DZOGCHEN PONLOP RINPOCHE

The Dzogchen Ponlop Rinpoche weaves together a synthesis of wisdom remarkable in its scope. Completely fluid in the language and customs of the West, Rinpoche makes the profound and complex teachings on the bardos—the intervals of life and death—accessible and practical. With humor and penetrating insight, *Mind Beyond Death* reveals the secrets to a good death, and how to prepare for it. It also unlocks a treasure trove of information for how to live a genuine and fearless life.
